WORK HISTORY

YOUR JOB TITLE HERE // 2019 – PRESENT
Name of Organization | Short Address Line

You can also format text directly by using the other controls on the Home tab. Most controls offer a choice of using the look from the current theme or using a format that you specify directly.

- Both the Themes gallery and the Quick Styles gallery provide reset commands so that you can always restore the look of your document to the original contained in your current template.
- On the Insert tab, the galleries include items that are designed to coordinate with the overall look of your document. To change the looks available in the Quick Style gallery, use the Change Current Quick Style Set command.

YOUR JOB TITLE HERE // 2018 – 2019
Name of Organization | Short Address Line

You can also format text directly by using the other controls on the Home tab. Most controls offer a choice of using the look from the current theme or using a format that you specify directly.

- Both the Themes gallery and the Quick Styles gallery provide reset commands so that you can always restore the look of your document to the original contained in your current template.
- On the Insert tab, the galleries include items that are designed to coordinate with the overall look of your document.
- You can use these galleries to insert tables, headers, footers, lists, cover pages, and other document building blocks. When you create pictures, charts, or diagrams, they also coordinate with your current document look.

YOUR JOB TITLE HERE // 2017 – 2018
Name of Organization | Short Address Line

You can also format text directly by using the other controls on the Home tab. Most controls offer a choice of using the look from the current theme or using a format that you specify directly.
